Gift of Securities Transfer Form

Donation of Publicly Traded Securities

Donating a gift of securities is one way to support Waterloo Regional Health Network Foundation (WRHNF). In some instances, Canadians who donate appreciated securities (including stocks, bonds and mutual funds) directly to a registered charity may eliminate or reduce capital gains tax on the investment. We highly recommend that you speak with a tax professional to learn more about tax rules and their implications and to discuss your plans and options.

Your investment builds a connected care network across three sites.
